

Referral of the Sub-acute Cases (KFSHRC => AlMaathar Hospital) – (Part 1)

1. Section I: Scenario Demographics

- **Identify Scenario Title:** Referral of the Sub-acute Cases (KFSHRC => AlMaathar Hospital).
- **Target Learning Group:**
 - KFSHRC Transfer Office & External Health Services ○ Al Maathar Hospital Patient Services Staff

2. Section II: Scenario Developers & Stakeholders

- **Stakeholders:**
 - Al Maathar Hospital Operations ○ KFSHRC External Health Services

3. Section III: Curriculum Integration

- **Educational Goal:** To validate the operational efficiency, response timelines, and communication accuracy for transferring sub-acute cases from KFSHRC to Al Maathar Hospital.
- **Operational Objectives:**
 - **Response Timeliness:** Ensure a decision and reply are issued within the 30minute benchmark.
 - **Communication Integrity:** Validate the use of formal templates for acceptance and rejection.
 - **Clinical Coordination:** Confirm that required medications and transfer times are explicitly communicated.

4. Section IV: Scenario Script

Step/State	Actions & System Triggers
1. Initiation	KFSHRC Transfer Office/External Health Services: Initiates transfer request for sub-acute case to Al Maathar Hospital.
2. Receiving	Patient Services (Al Maathar): Receives the transfer request through designated communication channels.
3. Decision Making	Dr. Abdullah Alsuhaime: Reviews the case and makes a decision within 30 minutes . If Rejected: Reply to all recipients with a formal justification for rejection. If Accepted: Issue a formal acceptance letter to the KFSHRC Transfer Office including: a. Confirmed estimated transfer time. b. Specified required medications/supplies to accompany the patient.
4. Confirmation	Patient Services: Sends final confirmation of patient transfer to the originating facility.
5. Pre-Arrival	Duty Manager: • Performs registration • creates pre-arrival encounter in EMR. • Take Inpatient Unit approval: 1. Bed assigned. 2. Nurse assigned. 3. Room prepared.

5. Section V: Pre-identified Gaps & Action Tracking

Pre-identified Gap	Action or Response (Comment)
1. Dedicated communication means: (Email, Phone number, etc) to receive transfer requests from KFSHRC.	
2. Dedicated personnel: Specific staff assigned to receive and respond to requests immediately.	
3. Templates for official reply: Standardized "Acceptance/Refusal" forms with fields for justification and supply requirements.	
4. Internal Workflow: Clearly defined internal process for routing requests to Decision maker, team notification of acceptance, and prearrival readiness
